

PERENNIAL SHOVEL

Root Slayer

- Head Size : 7,49 x 9 inch
- Sleeve Size : 34,51 inch
- Product Size : 7,49 x 43,31 inch

ROOTSLAYER expands its range and presents its PERENNIAL SHOVEL version

This new tool combines the functions of the ROOT SLAYER but with a shorter head for precision work in clumps and small areas.

It is also very strong and has serrated blades and an inverted V-shaped cutting blade at the end.

Carbon steel blade. Resin-coated resin coated fiberglass handle with Natural Radius® thermoplastic grip. Patented latex-free grip.
